The compulsion to excel, the passion to innovate, the insatiable urge to constantly refine perfection - that is the essence of Samanjas Udyog. Our every effort then has been to provide you, our clients, with top-of-the-line ancillary turn-mill components that are indispensable to your successes.

The success of our quality policy, which encourages employees and suppliers to eliminate the cost of non-conformance, to generate error-free output and to achieve significant quality improvement of our products, has been a direct result of that early lesson.

We realize that our products form an indispensable part of your success story. And we dedicate all our efforts to making your story a stupendous success. For that is the Samanjas way. *We value our clients. We value your trust.* Samanjas Udyog ...Integrity Inc.
